Kind Greetings,

The Indian Pueblo Cultural Center is excited to announce the **40th Annual Native American Student Art Show & Sale**. This showcase will be held in our South Rotunda November 4th, 2019 through January 3rd, 2020.

The Native American Student Art Show was created to promote arts and culture to our youth. They are the bearers of our culture and have unique and honest perspectives to share. Through art they will be able to share those perspectives, explore their own creativity, and delve into their understandings of this year's theme. We are eager to invite the diversity, vibrancy, and creativity of our school-aged children to our center.

This year's theme, *Continuing My Culture*, was selected to complement our *Indigenous Wisdom* curriculum as well as the exhibition *Ours: The Zia Sun*. It is vital to continue our Pueblo culture by passing down traditional knowledge to the next generations and by celebrating our Pueblo identity. Our youth are our future and this year we invite students to think critically about their role and responsibility in the survival of our culture.

Each year we offer prize money to the winners of each category. Each artist may choose to sell their work during this show; 100% of each sale will return directly to the young artist.

We invite all interested Native American students to be part of this show and sale!

Guidelines and forms for participants are found in the attached packet for copying and dispersal.

Entries will be accepted at the Indian Pueblo Cultural Center through Monday, October 21st 2019 at 4 PM. If you have any questions or need additional information, please contact me directly at 505-724-3564 or RMoore@indianpueblo.org

Respectfully,

The Indian Pueblo Cultural Center Invites Native Students to join us in recognizing the importance of their cultural identity through this year's Annual Native American Student Art Show, *Continuing My Culture*. Our identity is rooted in traditions, such as arts, crafts, food, and history. Our ancestors have passed this heritage on to us, and it has lasted through years of colonization and appropriation. Our way of life is a testament to the resilience and importance of our identity. This year we invite you to think about your cultural identity and how you will continue it for future generations.

Questions and Prompts to encourage creativity and thoughts on the theme:

- What ways do you express your cultural identity? (Dance, Song, Language, Dress, Food)
- As our world is faced with urbanization, how can we adapt while retaining traditional values?
- Consider the appropriation of our culture - the good and the bad examples. How does this affect your own relationship to your culture? Names, designs, symbols, etc...
- How have historical events shaped our modern identities? (Pueblo Revolt, Americanization, urbanization, Hispanic influence)
